

THE PRAYER

to start each of the sessions.
encourage the group to say
the prayer together.

This section contains the Scripture each week. We encourage you to use this Scripture for *Lectio Divina* with the group at the end of each session. For more information, see the *Lectio Divina* Handout.

It's worth using an actual Bible for the Scripture as this helps the group to familiarise themselves with the text.

On Disc Three we are encouraging groups to start using the Gospel for the following Sunday Mass. This is a useful habit to develop.

A QUOTE FROM
the session.

This section contains a quote from a Church document.

The purpose of the handout is to help with the discussion, to provide questions and references which may prove useful. The handouts also act as a reminder for participants who may wish to refer back. Similar to the DVDs, these are just useful tools for faith discussion. The handouts should support the use of the texts in the Catechism and Bible.

A key point from the session.

QUESTIONS FOR REFLECTION

Some suggested questions which may stimulate discussion. We encourage the group to make their own notes on the back of the sheet.

They may also have their own questions stemming from the DVD material which are valued and important to value and respond to, as well as rich in opportunity for dialogue.
